Some of our customers seek extra assurance to protect their investment, which is why we are pleased to present our stainless steel sink grids.

Einige unserer Kunden möchten Ihre hochwertigen Spülbecken besonders gut schützen. Wir haben deshalb spezielle Gitter aus Edelstahl entwickelt, die Sie in das Becken einlegen können.

Certains de nos clients recherchent le complément idéal pour protéger leur évier, c'est la raison pour laquelle nous avons le plaisir de présenter nos grilles d'évier en acier inoxydable.

Algunos de nuestros clientes buscan el complemento ideal para proteger su fregadero, por lo que nos complace presentar nuestras rejillas para fregaderos de acero inoxidable.

Alcuni dei nostri clienti necessitano di maggiori rassicurazioni per proteggere il loro investimento, ecco perché siamo lieti di presentarvi le nostre griglie in acciaio inox per il lavello.
